

BL736LED-FL

FLOODLIGHT

Type: _____

Project: _____

Delivered Lumens:
15,000 - 24,210 lm

Input Wattage:
150W - 230W

Efficacy:
Up to 103 lm/W

Colour Temperatures:
3500K, 4000K, 5000K

Projected Lumen Maintenance:
 $L_{80} @ >60,000$ hrs.

The **BOXLED® FL** comes standard with an adjustable yoke bracket that allows for precise positioning

BOXLED® FL is approved for operation in ambient temperature environments ranging from -30°C to +40°C

Two lumen packages are offered, 15,000 and 24,210. Ideal for both indoor and outdoor applications

A medium, wide distribution or asymmetric parabolic reflector is offered. The microprismatic tempered glass diffuser provides optimized glare control

The **BOXLED® FL** design is based on performance and reliability. IP66, 3G vibration, IK09 ratings make it ideal for commercial and industrial applications.

The **BOXLED® FL** is a flood or accent light for damp or wet applications such as flood lighting, accent lighting, building façades, monuments, security, natatoriums and signage.

Configurations

MODEL	OPERATION	LUMENS	DISTRIBUTION	COLOUR TEMP	INPUT	MOUNTING	OPTIONS
BL736LED-FL	HT (AC only)	LO (15,000)	MBD (medium beam)	WT35 ¹ (3500K)	120-277V	[blank] (yoke bracket-std.)	SSH ² (stainless steel hardware)
		HO (24,210)	WBD (wide beam)	WT40 (4000K)	347V		FP (fuse protection)
			ASY (asymmetric)	WT50 ¹ (5000K)			SP (5 kV at 10kA surge protection)
							IOS01 (microwave, internal, on/off 120-277 (15' MH)
							IOS03 (microwave, internal, on/off, 120-277 (13-23' MH)
							EM ³ (90 min. emergency backup)
							SRC (shatter resistant coating)

NOTE¹: may be a longer lead time; **NOTE²:** order SS for natatorium applications; **NOTE³:** 90 minute run time, remote mounted, not available in 347V **NOTE:** please see below for available accessories (to be ordered as a separate line item).

BoxLED® accessories

MODEL	DESCRIPTION
50001015	wireguard

Mounting

Dimensions

BoxLED® Flood

HOUSING:

- Low copper die-cast marine grade aluminum with integrated heat sink
- RAL 7040 grey powder coat finish
- Stainless steel hooks and housing latches
- Durable silicone gasket

ELECTRICAL:

- AC Input: 120-277V, 50-60Hz
- AC Input: 347V, 50-60Hz

POWER LINE FEED:

72" black, 18AWG, 300/600V, 5 conductor cord with 1/2" pre-stripped leads for quick infield connection.

DIMMING:

0 - 10V dimming to 1% is standard. Compatible with most dimming systems.

REFLECTOR/OPTICS:

Parabolic specular polished aluminum reflector offered in wide (70°) and medium (30° x 40°) and asymmetric (70° x 30°) configurations.

DIFFUSER:

4mm tempered glass diffuser with microprismatic external surface to reduce glare.

SANITATION LISTED:

Meets all food equipment NSF/ANSI 2 standards. The **BOXLED®** is suitable for use in food equipment environments.

MOUNTING:

Adjustable yoke bracket allows for above ground and wall mount applications. Bracket adjusts in 15° increments from 0° to 180°.

OPERATING TEMPERATURE:

-30°C to +45°C

WEIGHT:

15 lbs. / 7 kg.

WARRANTY:

5 year LED warranty, see website for full warranty details.
